Re: Indiana Executive Order 20-08: Directive for Hoosiers to Stay At Home

April 3, 2020, our Governor Eric Holcomb issued an extension to the original stay-at-home order, Executive Order 20-08. The executive order mandates that "all individuals currently living in the State of Indiana are ordered to stay at home or their place of residence."

Section 4 states "All businesses and operations in the State of Indiana, except for Essential Businesses and Operations, are hereby required to cease all activities within the State, except, however, for Minimum Basic Operations."

[The Executive Order can be found via this link.](#)

We, at Sneak Peek, believe we are not in compliance with this Executive Order to keep our facilities open. Therefore, we will be closed until Thursday April 21<sup>st</sup> unless this date is changed by our Governor.

If you have any questions or concerns, please don't hesitate to contact our office at 317-886-8406 or via e-mail at Shaena@3d4dsneakpeek.com.

Sneak Peek will continue to monitor this situation and will communicate, to the best of our ability, our current policy as we continue through this journey.

Sincerely,

*Shaena Hopwood*
